

Welcome to 2nd Grade!

It is hard to believe that summer is coming to a close and the start of another school year is upon us! My name is Jacqueline Rabb and I am very excited to have the opportunity to be your child's 2nd grade teacher. I grew up in Minneapolis, Minnesota where I attended St. John Lutheran Church and School. In December 2012, I graduated from Concordia University Wisconsin with a Bachelors degree in Elementary Education and a focus in Spanish Education. I moved to Texas in July 2013 to be the second grade teacher here at Trinity Lutheran School. Along with being the 2nd grade teacher, I will be teaching Spanish to students in Kindergarten through 8th grade.

2nd grade is an exciting time with lots of new things to discover! In 2nd grade, we will build on what we already know as we progress to higher levels of learning and understanding. I will keep you updated on our learning progress through the class newsletter and the students' daily folders. Please make a habit of checking your child's daily folder, as this will be the main means of communication between school and home. Please encourage your child with homework, assist him/her when appropriate, encourage daily reading, and help your child practice spelling and memory work. Included with this letter you will find important information regarding homework, classroom procedures, discipline policies, and our class schedule. I encourage you to talk with your child at home to discuss what we are learning and how each day has gone. I am sure your child will always have something to share!

Our theme for this school year is, "Life Together: One in Christ" based on 1 Corinthians 1:9. We will focus on how we live and serve together as one body of Christ. As a teacher, I believe that learning occurs through experiences, and students should be encouraged to explore the world around them as they construct knowledge and increase understanding. Within my classroom, countless opportunities will be presented for students to grow and develop physically, mentally, emotionally, socially, and spiritually. Through Christ, we will embark on a journey to grow and learn together, while exploring Christ's love for all people and His mission for the world.

I look forward to working with you and your children during the coming school year. I am excited to see the progress each child makes academically and spiritually. Thank you for sharing your child with me and please do not hesitate to contact me with questions or concerns!

Blessings in Christ,

Mrs. Rabb
